

Supervisor Trainees Hebron, Ohio

MPW Industrial Services, Inc. is the leading provider of integrated technology-based industrial cleaning, facilities management, container management, and water purification services in North America. Headquartered in Hebron, Ohio, MPW has been providing rapid response to meet the diverse needs of industrial clients for over 30 years. Our highly trained crews may be deployed with mobile assets or may service our clients' needs from our fixed-based network of over 40 operational facilities.

MPW's Industrial Cleaning division is seeking Supervisor Trainees for our **Hebron, OH** location. This position will require the individual to learn all aspects of the business unit. The majority of this work will be conducted at customer sites, which may include Steel Mills, Power Plants, Pulp and Paper mills, and various other industrial sites. The project lengths can vary from a few days to a few weeks. Significant travel is required.

Requirements:

- High School specialization in a specific trade or vocational program is ideal.
- High School Education or equivalent is acceptable.
- Valid drivers license.
- CDL License a plus.
- Talented individuals who are willing to learn our business hands-on, and then apply their academic and real-world experience in our industry.
- Candidates should be forward thinking and have a strong willingness to learn all aspects of the business in a fast paced environment.
- Understanding of mechanical concepts and applications.
- Effective oral and written communications.
- Effective listening skills.
- Ability to interact with others.
- Flexibility to relocate will translate into increased opportunity for advancement.
- Must be willing to travel.
- Must be willing to work on weekends and holidays as necessary.

Responsibilities:

- Makes routine customer visits and directly interacts with customers during jobs, coordinating his/her efforts with the MPW Sales person to assure the customer's job specifications are met.
- Ensures good on-site customer relations by responding to customer needs and coordinating with Field Superintendent, Branch Manager, and/or MPW Sales person.
- Communicates special on-site job requirements through Dispatch or Branch/Operations Managers.
- Conducts hard-hat safety meetings with employees prior to each job and assures that proper safety procedures are followed at the job-site.

A Passion For Excellence

- Accounts for and prepares work order documentations in turn driving the Branch billing and payroll function.
- Directs personnel at job-site, sometimes acting as an Equipment Operator or Laborer.
- Performs other duties as directed.
